Film Pictures Fury of First Hydrogen Blast

By ELTON C. FAY
WASHINGTON — The government disclosed today details of the world's first hydrogen explosion — a searing and crushing fury that erupted out of an island in the twinkling of an eye and spawned a gigantic fireball big enough to engulf the heart of New York City.

The official motion picture film of the thermonuclear test in November 1952, conducted by the Atomic Energy Commission and Defense Department at Eniwetok Atoll, was made public — in somewhat censored form — by the Federal Civil Defense Administration.

That agency said it "firmly believes it is necessary for the American public to know the facts about the destructiveness of nuclear weapons." And it quoted from the speech of President Eisenhower before the United Nations Assembly last December which said, "Clearly, if the peoples of the world are to conduct an intelligent search for peace, they must be armed with the significant facts of today's existence."

Awsome as it was, the 1952 test has been described by Eisenhower as only a first step in this nation's hydrogen weapons program.

There have been two announced thermonuclear blasts in the Pacific proving ground since then, and both have been semiofficially described as much more powerful, scribbled as much more powerful. One was set off March 1, the other last Friday.

Here are some of the things the motion picture of the 1952 test and the official narration accompanying it disclosed:

1. The test device was exploded in a "cub," a small workshop jammed with recording and detonating gadgets on the islet bkgkqj Eguab, at the northern rim of Eniwetok Atoll.
2. The island, about a half mile long and a quarter mile wide and protruding from the barrier reef of the atoll, vanished. In the place where it stood there was a crater 175 feet deep, a mile in diameter.
3. Created was the largest fireball of the more than 40 atomic explosions set off until that time—3 1/4 miles in diameter. The heat at the core of that churning, brilliant manmade star, presumably shot to a momentary temperature like the body of the sun.
4. The picture included an impossible view of the fireball on a drawn outline of Manhattan's skyline. It overwhelmed about one quarter of Manhattan.

Tax Slash Is a Happy Headache

By FRANK O'BRIEN
WASHINGTON (AP) — A billion dollar federal sales tax cut went into effect today with indications it may be a huge headache to the public, businessmen and government.

It is a headache that will be borne happily.

Business men have long said excise rates were holding back sales. The public has ground at paying a 20 per cent tax on luggage, jewelry, furs, cameras, electric lights and theatre admissions. His administration opposed the tax cuts said yesterday he was signing the bill wholeheartedly regarding it as a business stimulant.

The new rates on hundreds of items are effective on sales made today or hereafter. The administration calculates it will lose the reductions in a full year. That means 999 million dollars not spent on taxes that can be spent other wise by business and consumers.

Robber Gets \$1000 in Grocery Store

NORTH LITTLE ROCK (AP) — An armed white man robbed the Clements Food Store here last night for about \$1,000.

The store owner, W. S. Clements, said he was re-arranging stock when the bandit approached him and demanded, "all your money."

"When he threw back his coat, and I saw a pistol under his belt, I emptied a register and handed him the money," said Clements.

Butter Price Drop Doesn't Mean Much to Those Who Have Learned to Like Oleo Better

By United Press

Housewives took lower butter prices in stride today, refraining from any noticeable rush to buy.

Secretary of Agriculture Ezra Taft Benson lowered the government support price from 90 to 75 per cent of parity last night.

But many chains and independent retailers already had cut their prices in anticipation of the government's move, and only a few additional price cuts were announced today.

Most retailers felt it was too early to tell how much the price reductions would stimulate butter sales.

A spot check of grocery stores in scattered cities disclosed, no long line of housewives waiting to buy butter.

At New York City, the A. V. P. food fair and others cut the price two cents to 63 cents a pound. It was the third reduction in a week.

But buying appeared normal, and one young housewife commented: "I got used to using margarine for cooking and until butter can match it in price I'll continue to use it for cooking."

Her five-year-old son's only comment was, "I don't like butter."

Many merchants played by ear as they marked lower prices on butter today, and it was likely the price would fluctuate slightly for several weeks.

Secretary of Agriculture Ezra Taft Benson lowered the government support price of the commodity from 90 to 75 per cent of parity last night.

The move brought tons of butter and cheese into already-bulging government warehouses yesterday as producers unloaded all they could under the old price. The decision also meant a general price reduction for housewives of about five to 10 cents a pound in their neighborhood markets.

But some grocers were uncertain how much lower the price, a United Press survey showed. Many cut prices last week in anticipation of Benson's move, but were unsure whether their new price tags made sense.

Indianapolis merchants, for instance, said the situation was "confused." Some dropped the price three cents earlier. Many planned a further eight to 10 cent cut today, bringing the price of low-grade butter to about 60 cents a pound.

A Woman Accepts Illness as Part of Life But a Man Takes His Health for Granted

By Hal Boyle
NEW YORK (AP) — Sidewalk scrawls by a pavement Pato: Most doctors prefer to treat women than men, not because women are more attractive but because they are more sensible at least about their ailments.

A woman accepts illness as part of life, but a man takes his health for granted, and it hurts his pride if something goes wrong with him. He is as surprised as if his fist had doubled up if his own volition and hit him in the face. He feels his body has betrayed him on purpose.

"Women are willing to wait until tomorrow to be cured," said one doctor. "But men always want to be cured yesterday."

Christian Church Services Planned Nightly Next Week

"Christ's Seven Last Words From The Cross" will be the subject of the Rev. Edmund Pendleton's messages at the Christian Church beginning Sunday morning and continuing each night at 7:30 next week.

Inspiring musical programs are promised at each service. Luther Hollamon is organist and Choir director. There will be quartets, duets and solos on the programs.

The Rev. Mr. Pendleton, in addition to bringing the evangelistic messages, will also lead the congregational singing. An interesting program has been planned for each night and the public is invited.

First Union Lay Service Successful

Yesterday in the First Baptist Church about 200 people attended the first of the series of Union Lay Services.

The service was opened with a son led by Earl L. Bailey of the First Baptist Church, with Luther Hollamon of the First Christian Church at the organ. Ainsley Gilbert from the Unity Baptist Church led the congregation in prayer, after which the presiding minister, the Rev. Virgil Kealey, Pastor of the First Methodist Church, introduced the devotional speaker.

The speaker Gordon Bayless of the First Presbyterian Church, brought a very fine devotional talk emphasizing the layman's part in serving the church and increasing attendance to the regular worship services of all churches. Mr. Bayless pointed out that there are a great number of places of service for the average layman who is willing to devote a portion of his time to doing the Lord's work through the various churches.

The congregation sang another song and the benediction closed the noon-day devotional period at 12:55.

The next in this series of services will be held at the First Baptist on Wednesday, April 7. The participants of that program will be announced later. The public is cordially invited to attend these services and to do so in your working clothes. Come as you are.

Hearing to Hike Social Security Benefits Starts

By CHARLES F. BARRETT

WASHINGTON (AP) — The House Ways and Means Committee scheduled kickoff hearings today on President Eisenhower's request to increase social security benefits, taxes and coverage — with most members predicting general approval.

A scrap was indicated, however, over some points. Some doctors, lawyers and farmers oppose the President's proposal that they be brought under the system. And Democrats planned to drive to provide monthly benefits for disabled workers under 65 — a feature left out of the Eisenhower program.

Eisenhower made his recommendations to Congress Jan. 14 for far-reaching changes in the social security system.

The current hearings deal only with old age retirement and survivors' benefits. Another part of the President's program — involving changes in direct federal welfare grants to states for the needy — will come up later.

For some six million retired workers or their survivors already receiving benefits, Eisenhower proposed a minimum \$5 increase in monthly payments. The minimum for a single retired worker would be boosted from \$25 to \$30 the maximum from \$85 to \$98.50. The minimum for a retired couple would be boosted from \$37.50 to \$45 the maximum from \$127.50 to \$147.75.

Maximum family benefits, applying mostly to survivors of an insured worker, would be increased from \$108.75 to \$190.

For workers retiring in the future, maximums would go up to \$108.50 for a single worker and \$102.75 for a retired couple.

Workers and employers each now contribute 2 per cent of payrolls up to \$4,200 a year.

This would amount to a \$12 a year tax boost for those making \$4,200 or more.

The present law calls for a gradual stepup in the tax rate to 3 1/2 per cent for employers, 4 1/2 per cent for self-employed persons in 1970 and thereafter. Eisenhower's proposal would make these rates 3 1/2 per cent and 5 1/2 per cent.

J. L. Brown Seeks Post of Alderman

Jesse L. Brown, 116 North Walnut Street, today authorized the Star to announce his candidacy for Alderman of Ward Four.

Mr. Brown has lived in Hempstead practically all his life, and in Hope for the past 15 years. His family includes his wife and three sons. During most of his years in Hope Mr. Brown has operated a cafe up until a short time ago.

In making his announcement Mr. Brown said: "I'm a home owner and permanent resident of Hope and feel I am fully qualified to serve as an alderman. I believe it about time to change things up and if I'm elected I will try my best to handle affairs of the city for all the people and not just a few."

Tax Slash Is Savings on Telephone Bill

Hope Telephone users soon will be paying less on their telephone bills.

Every telephone user will benefit directly by the bill just passed by congress authorizing reduction in many federal excise taxes, according to Jerry Poe, Southwestern Bell Telephone Manager.

The effect of this will mean a savings of about 12 percent on all long distance calls of 25 cents and over. At the same time, other long distance calls and all local telephone service will be reduced about 5 percent, Poe pointed out.

"Since the Telephone Company acts only in the capacity of a collecting agent for the excise tax, the savings in reduced rates is, being passed directly to our customers, and will become effective with bills dated April 1," Poe added. "The telephone user will be the one to benefit from the new law."

To illustrate the savings that could be realized, Poe cited the example of a typical Hope business concern which makes an average of \$50 worth of long distance calls each month. Under the old rate, the business paid a federal excise tax of \$12.50. With the new tax, the firm will save \$7.50 a month or \$90 a year on long distance service alone. In addition the firm will save about 5 per cent on local service.

Russian Offer Rejected by United States

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The United States planned to consult promptly today with Britain and France on its stern rejection of Russia's surprising bid for a hand in control of Western defenses through a new "security" system.

For its part, Washington turned down the Soviet maneuver last night as a boring-from-within trick "to gain admittance within the walls of the West, to undermine its security."

Moscow offered to consider joining the North Atlantic Treaty Organization if the Western Powers would join a Russian-sponsored European security plan from which Germany would be barred and a scrap plans for a European Defense Community (EDC) in which German troops would be retrained.

Initial Western reaction showed some division, and officials said it was reasonable to assume there would be consultation with Britain and France on the formal replies.

To Discuss Presbyterian Unification

In the Magnolia grade school at 7:30 Friday night unification of the Southern and Northern Presbyterian Churches will be discussed in a meeting called by laymen of Magnolia.

Speaking for the union will be the Rev. Chauncey V. Farrell, pastor of the Texarkana Church and against will be Kenneth S. Keys, Miami, Florida real estate dealer. Interested residents of Southwest Arkansas are invited to hear the discussion.

Mrs. A. Caudle, 60, Dies at Bodcaw Home

Mrs. Arthur Caudle, age 60, died early Thursday at her home in Bodcaw after a long illness.

She is survived by her husband, a daughter, Mrs. Alvin Butler, a son, Nolen Caudle and five grandchildren of Bodcaw, two sisters, Miss Maude May, and Mrs. Perry McCargo of Bodcaw, eight brothers, Roy May of Rosston, Hilman of Willisville, Willis, Varl, and Teddy of Bodcaw, Chester, Elbert, and Herbert of Hope.

Funeral services will be held at 3 p. m. Friday in the Bodcaw Baptist Church. Burial will be in Union Cemetery.

Harold Hightower to Preach at First Baptist

In the absence of Pastor S. A. Whitlow, who is holding a revival meeting in Cleburne, Texas, the Rev. Harold Hightower will preach at both the morning and evening services at First Baptist Church on Sunday, April 4. The Rev. Mr. Hightower is a present student at the Southwestern Baptist Theological Seminary at Fort Worth, Texas, and is Associational Missionary in Hill County, Texas. Mrs. Hightower is the former Clarice Brown of Hope.

Presbyterian Church to Ordain Three Deacons

"Men Wanted" will be the subject of the sermon at the Vesper Services at five o'clock at the First Presbyterian Church. It will be a special service for men, although everyone is invited to attend.

Three deacons will be ordained: Joe Keesey, Comer Boyett, and Mack Stuart, with the elders of the church following an age-old custom, laying hands on the candidates during the ordination prayer. The deacons of the church will also participate in the service.

Six deacons who were re-elected will be re-installed at this service: T. E. Hays, Fred Ellis, W. G. Johnson Jr., Will Ed Waller, Cliff Stewart and Dorsey McRae, Jr.

JONESBORO (AP) — Eight children and four adults are receiving anti-rabies inoculations here after being bitten by a rabid cat or one of four dogs believed infected.

D. A. H. Abernathy said the cat died, and an autopsy revealed that it had suffered from rabies. Four dogs have been destroyed and their heads sent to Little Rock for examination.

All Around the Town

By The Star Staff

A lot of city owners are puzzled and somewhat indignant over council action in March which calls for the blacktopping of Walker Street from Shaw to 13th with the city bearing all the expense. They are recalling that they had to pay for the blacktopping alongside their property, in some cases cash or through formation of paying districts. It would be improper for some property owners to ask the city to have the streets along their property also blacktopped.

French Fire Top Military Marshal

PARIS (AP) — France's government fired Marshal Alphonse Juin today from the nation's two top military strategy posts. It appeared likely he also would lose his NATO job as commander of land, sea and air forces in central Europe.

The cabinet ordered the outspoken, 65-year-old marshal removed from his French military posts — an adviser to the government on defense strategy, and vice president of the National Superior Council for Armed Forces — after he ignored Premier Joseph Laniel's summons to explain his public criticism last weekend of the proposed European Defense Community (EDC).

The firing touched off a furor in France comparable to that in America following then President Truman's dismissal of Gen. Douglas MacArthur. Opponents in Parliament of EDC led the critics of the French government action.

Cheaper Way Found to Make H-Bomb

By JOSEPH L. MYLER

WASHINGTON (AP) — An informed source said today "we have found a way of making H-bombs at a fraction of what we had expected them to cost."

"We found a cheap material," he added, "that costs a matter of dollars a pound which can be used to replace a substance that costs thousands of dollars an ounce."

This source, who is privy to everything that goes on in the U. S. atomic project, refused to identify the cheap material, although he said, "we can assume the Russians know about it."

His remarks appeared to support previous statements from other sources that the current Pacific tests have established that hydrogen city-killers can be made more cheaply and more simply than had been supposed.

One of these sources said the mammoth March 1 explosion at Bikini incorporated ingredients and triggering methods tested by the Russians in their hydrogen explosion of last August.

Chairman Lewis L. Strauss in his White House statement yesterday of the Pacific tests made a mark about the Russian H-bomb that "some observers considered highly significant."

NEW YORK COTTON
NEW YORK, April 1 (AP) — Cotton futures were irregular today. Best prices were reached in early trading on mill and commission house buying, with gains ranging up to 50 cents a bale. The market encountered increased liquidation and hedging which caused prices to work irregularly lower. Switching from old crop to new crop months was extensive.

Late afternoon prices were 30 cents a bale lower to 15 cents higher than the previous close. May 34.24, July 34.42 and Oct 34.14.

GRAIN AND PROVISIONS

CHICAGO, April 1 (AP) — Wheat and rye surged upward on the Board of Trade today while corn eased and soybeans had a mixed trend. Old crop soybean futures sold lower most of the session.

Wheat was aided by apprehension over the winter wheat crop, with blowing dust forecast for parts of Kansas tomorrow, and news West Germany will soon be in the market for six million bushels of hard and red wheat.

Rye responded to news President Eisenhower had placed import restrictions on this grain. Corn eased because of a lower price for Commodity Credit Corp. corn along the Atlantic seaboard.

Wheat closed 2 1/2% higher, May \$2.19 1/4-\$2.20 1/4, corn 1 1/4% lower, May \$1.52 1/2, oats 1/2% higher, May 75¢-76¢, rye 4 1/4 to 5 cents higher, May \$1.07 1/4-\$1.08, and soybeans 3/4% lower to 1 higher, May \$3.55 1/4-\$3.56 1/4.

ence is steadily finding out things the ordinary man knew all along.

Everything depends on how you look at it. A robin sees no reason why it shouldn't sing or build its nest in a cemetery. But the average group would be outraged if he caught a small boy squatting by a grave and practicing on a saxophone. Why are birds and children so much less pompous than big live people?

Why is it when you ask your friends if they have read any good books lately, none ever answers, "Yes, the Bible." Yet it is still a best seller.

The best way for a dumb man to get ahead in a hurry is to marry a smart woman.

Money won't buy everything in life, but isn't it amazing how many things you can rent with it?

Highway Bids Received on Road Work

LITTLE ROCK (AP) — The Arkansas Highway Commission yesterday advertised for bids for 15 construction projects and two bridge painting jobs which will cost an estimated 2 million dollars.

Bids will be opened April 15. Reconstruction of about 12 miles of the Little Rock-Memphis route, Highway 70, in Prairie County, are included in the projects.

Jobs by counties, include:
Phillips — 7.06 miles gravel surfacing on sections of Elaine-Lambrook road, Highway 49.

Cleburne and Independence — 8.75 miles of grading, crushed stone base and bituminous surface treatment on the Concord-Locust Grove road, Highway 25.

Yell — 365 feet of reflowing of the Arkansas River Bridge on the Dardanelle-Russellville road, Highway 17.

Benton and Washington — 7.93 miles of grading, crushed stone base and bituminous surface treatment on the Siloam Springs-Fayetteville road, Highway 10.

Boone — Widening of a bridge and one overpass at West Sugar Leaf Creek near Bergman on Highway 43.

Pulaski — 6.42 miles of widening and resurfacing Rose City-Scott road, Highway 70.

Randolph and Greene — 7.35 miles of grading, gravel base and bituminous surface treatment and one concrete bridge on the O'Keefe-Delaplane road, Highway 90.

Washington — 2.18 miles of bituminous surface treatment on the Prairie Grove-South road, a county road.

Washington — 5.82 miles of bituminous surface treatment on the Springdale-Elm Springs road, a county road.

Independence — Painting White River bridge on Highway 11 at Batesville.

Jackson — Painting White River Bridge on Highway 67 at Newport.

Memphis Officers
Fined for Brawling

MEMPHIS (AP) — Two Memphis policemen, fined for their part in an Arkansas nightclub brawl, were suspended yesterday for 30 days without pay.

The suspensions were made effective March 22, against Lt. J. A. Stoots and patrolman Jack L. Ammons. The pair were charged with public drunkenness and disorderly conduct after being arrested near West Memphis while off duty.

They pleaded no contest to the charges. Stoots forfeited a bond of \$100 and Ammons \$200.

Man, 91, Promises to Quit Bootlegging

LONDON, Ky. (AP) — After listening to father-like lectures on the evils of bootlegging whisky, Jim Bowman promised the judge and sheriff he would be good in the future.

Sheriff Harve Steele said he

rested Bowman at his home, confiscated five plums of moonshine.

"I preached him a sermon too," said the sheriff, "and the only reason I didn't bring him to jail instead of giving him a summons to appear in court was because of his age."

Bowman is 91, the sheriff said. The case was filed away.

Carpenters Strike Is Called Off

LITTLE ROCK (AP) — A strike of AFL Carpenters in the Little Rock area, scheduled to begin this morning, was called off last night.

Z. W. Burnett, business agent for local 690, said a new agreement for negotiations will be started April 15.

bomb test in the South Pacific. But weather forecasters said last Friday's H-bomb blast more likely was responsible. In Cambridge, Mass., scientists at Massachusetts Institute of Technology reported slight signs of radioactivity in the air since March 10. A spokesman said the measurements, noted only in rain, show the "radiation is insignificant as far as health and safety is concerned."

Officer Dolan Convicted of Perjury

KANSAS CITY (AP) — A federal court jury has convicted Elmer Dolan, suspended St. Louis patrolman of perjury — a charge that grew out of the arrest of kidnaper Carl Austin Hall. Dolan was found guilty yesterday of lying to a grand jury about the handling of ransom money recovered in Hall's room. Judge Albert A. Ridge deferred sentencing pending a motion for a new trial. Dolan's attorney said he would seek a new trial and April 15 was set as the deadline for filing the motion. Dolan and Louis Shoulders, former St. Louis police lieutenant, participated in the arrest of Hall last Oct. 6. Hall and his paramour, Mrs. Bonnie Brown Heady, were executed last December for the kidnap-killing of 6-year-old Bobby

Odds Steady on Gavilan, Olson Fight

BY CHARLES CHAMBERLAIN

CHICAGO (AP) — An outbreak of rumors that (Bob) Olson had a head cold and that Kid Gavilan has a sore right hand today failed to affect the odds on their championship brawl at Chicago Stadium tomorrow night.

Olson, middleweight king making his first title defense since clinching over Randy Turpin last October, was a 3-2 favorite.

A week ago he was a 9-5 choice. In the meantime, Gavilan moved his training headquarters to Chicago. The slide in odds followed a normal course and should be 6-5, take your pick, by ring time.

It figures strictly a tossup, and getting behind a favorite is one of the hardest jobs boxing experts have had to do in years.

Despite the phony rumors, the clamor Olson posed somewhat of a mystery on the eve of his biggest battle.

The balding, tattooed 160-pound champion, son of a federal narcotics agent in Honolulu, has fled to a secret hideout. He registered under an assumed name at a hotel on the city's far North Side.

Before doing so, he was observed blowing his nose. He did this perfectly human act after trotting around in the snow for his routine four miles of roadwork.

Word got around he had a cold. Today, it can be told that Olson, weighing 160 pounds and confident he officially will hit about 155 tomorrow, is in his hideout pursuing his favorite pastime—reading gory detective stories.

Momentarily, at least, he suffered a case of nerves, and he wants to be alone. Before he moved to his hideaway, he was hounded by reporters and photographers to the extent that he was overheard to exclaim: "I'm ready to blow my top."

Cpl. Saddler who is due to be discharged from the Army April 20, checked into a Boston hotel last night on a 72-hour pass some 24 hours before he is scheduled to face Augie Salazar of Oakland, Calif., in a 10-round non-title bout at Boston Arena.

The featherweight kind — who told reporters that Salazar "does not worry me" — seemed to be thinking only of the large sums of money that passed him by during his two years of Army service, much of it in Germany.

Saddler estimated that his military career cost him \$500,000 in purses. His last bout of record before his induction was a come-off-the-floor knockout of Tommy Collins in Boston Garden on St. Patrick's Day, 1952.

Senators Need Heavy Slugger

By JOE REICHLER

ORLANDO, Fla. (AP) — If the Washington Senators had a Ted Williams, an Al Rosen or a Yogi Berra, they'd be in the thick of the fight for the American League pennant this year.

Unfortunately they are short in the long ball department and in the present style of play, where slugging is so all-important, a team must have at least two home run threats to make a serious bid for a championship.

The best the Senators had last year was Mickey Vernon, the league's leading batter whose homer output was only 15. The entire Washington team hit only 69, lowest in both majors.

The pitching staff, most formidable since Bucky Harris returned for his third stretch as Washington manager in 1950, may well be the best in the league. It is headed by Bob Porterfield whom Harris calls "just about the best pitcher in the American League."

The 29-year-old right-hander was the circuit's biggest winner with a 22-10 record in '53 and turned in the remarkable total of 10 shutouts.

Bevo Gets Flock of New Records

NEW YORK (AP) — The NCAA Service Bureau today gave Bevo Francis a flock of new basketball scoring records to replace the ones the nation's coaches wouldn't let him keep last year.

Francis, the 6-9 one man gang from Rio Grande College in Ohio, won the individual scoring championship among small college players and topped the list in 10 other single game, season and career records compiled by the NCAA statisticians.

NCAA statisticians just as well last year. But the National Basketball Coaches Association voted to recognize only the points scored against four year colleges. This knocked out almost two-thirds of Bevo's 1952-53 games.

This season Francis scored 1,253 points in 27 games against a four year school, an average of 46.3 per game. The best previous performances were 970 points by Johnny O'Brien of Seattle in 1952 and an average of 38.9 by Roger Kuss of River Falls (Wis.) state last year.

Francis also:

1. Scored the most field goals (444).

2. Scored the most free throws (367).

3. Scored the most points in one game (113 against Hillsdale).

4. Shot the most times in one game (71 against Alliance).

5. Scored the most field goals in one game (38 against Alliance and Hillsdale).

6. Attempted the most free

throws in one game (45 against Hillsdale).

7. Made the most free throws in one game (37 against Hillsdale).

His two year average of 47.1 and total of 651 field goals against four year schools are records for two seasons.

Francis also became the first player to score more than half of his team's points in a season.

Here's How A&P Helps You To Really Lower Your Food Bill!

SHOWERS... NOT SPRINKLINGS!

Just as April rains bring Spring flowers, visits to A&P bring you showers of values.

That's because A&P has storewide low prices...not just a sprinkling of marked-down "leaders."

Since 1859, your A&P has been pioneering in new ways to bring you more good food for less money. If you have any suggestions as to how we can improve our service to you, please pass them along to your friendly A&P Manager.

CUSTOMER RELATIONS DEPARTMENT
A&P Food Stores
420 Lexington Avenue, New York 17, N. Y.

1

By saving you money on scores of necessary items every day — instead of on just a few "specials" occasionally.

2

By passing all price reductions on to you promptly — instead of waiting until supplies on hand are exhausted.

3

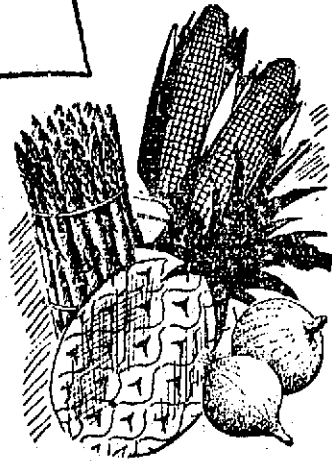

By reducing prices whenever possible on the foods for which most people spend most — meats and fruits and vegetables.

4

By pricing the dozens of fine products made by — or expressly for — A&P lower than other brands of comparable quality.
